A MESSAGE FROM THE PRINCIPAL!

Welcome back to 2023! I hope that everyone enjoyed the Summer break and holiday festivities. I am excited to announce that I was successful in my application to become Yuna Primary School's substantive principal. I look forward to working with everyone this year and into the future!

There has been a renewed agreement with CABY that sees us continue our partnership with the community and use of our school pool facilities. Thank you to everyone who has been filling in the sign in book each time it is used. It was great to arrive back this year and see how much it was used over the holiday break!

We welcome Yuna Playgroup to our school this term as they are using our school's BER room on Thursday mornings while renovations on their hub at CWA continue. It was great to see the future of our school and all of the wonderful paintings last week!

Konnichiwa! Our Year 3-6 students have started their new Japanese language lessons through the School of Isolated and Distance Education (SIDE). We have weekly sessions with Sensei Giselle via Webex who has already taught us different greetings and some interesting facts about Japan! Don't worry, we haven't forgotten about our Kindy and Pre-Primary students! Although it is not a mandatory subject in Early Childhood Education, we don't want our younger students to miss out on all the fun. They are also joining in on the journey through ELLA which uses apps and play to teach language skills while linking to the Early Years Learning Framework.

Swimming lessons are currently underway at Yuna Primary School! Although the weather hasn't been the warmest in the mornings this week, everyone is still thoroughly enjoying their time with their instructor. Fingers crossed that we can enjoy some warmer weather next week!

With a new year, comes new students to our school! We welcome Tessa Brooks (Kindergarten) and Cecily Burrows (Year 5) to our school community! They have both settled in seamlessly with our cohort of students and are learning why Yuna Primary School is the best place to be!

Shire Library will restart again for our school and community on Thursday, 23rd February. A representative from Chapman Valley Shire will run the library on a fortnightly basis from 12:00pm-2:00pm.

I hope everyone enjoys some wonderful and enlightening weeks ahead until our next newsletter and update at the end of Week 6!

Kind Regards,
Riccardo Amazzini
